United Nations Conference Centre, Bangkok

DCS 6000 Digital Conference System

United Nations Conference Centre in Bangkok (UNCC) has been equipped with the digital conference system, DSC 6000 including the conference management software SW 6000. UNCC is well known as the most leading conference facilities for meetings of international organizations in Thailand, and Conference Room 3, which can accommodate 270 delegates, is fully equipped with the high-technology conference system from DIS.

Vichai Trading (1983) Co., Ltd. were awarded the contract to renovate the conference system for UNCC. By introducing DSC 6000 Digital Conference System, Conference 3 becomes the first conference room in Thailand equipped with the most modern and advanced digital conference system.
